

North Face North Maroon Peak Jun 14, 2005

Bob Perlmutter in the
basin below the face

With the snow too deep on the descent route, we opt for the Gunsight Couloir

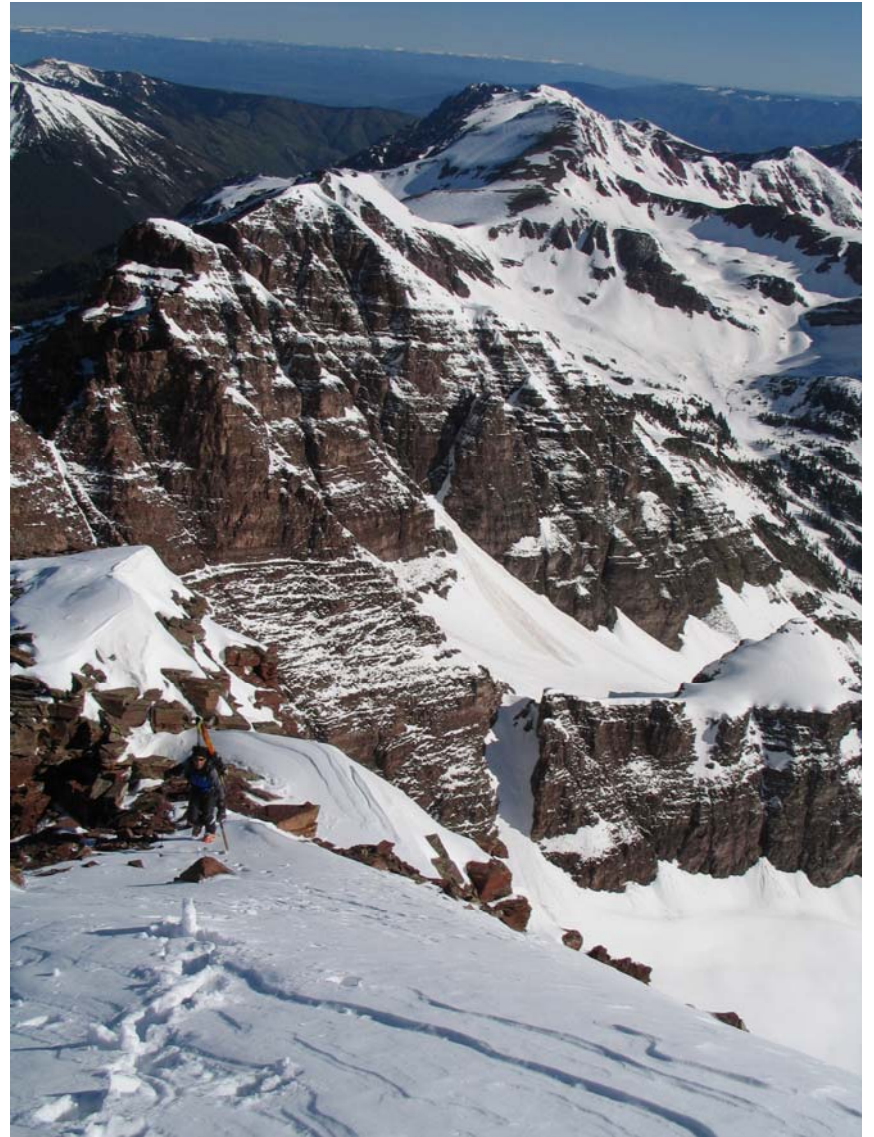

Above the Gunsight
heading to the first false
summit

Perl approaching the top
of first false summit

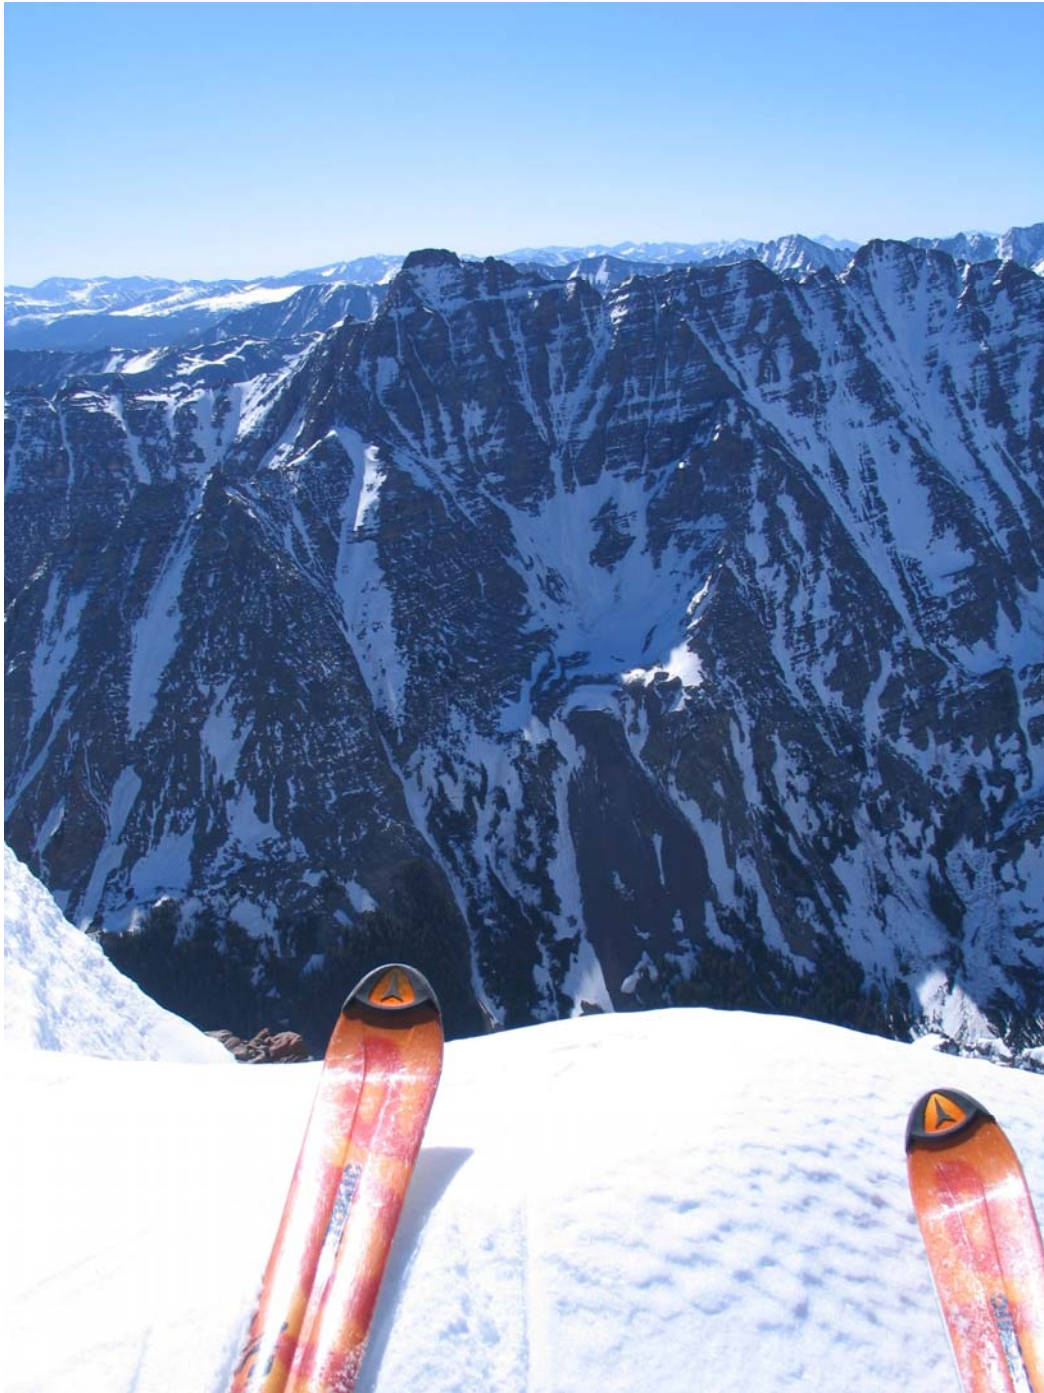

South Maroon across the way

Last steps to the top

Looking down the S.W. Face. Steep, hard snow and some good exposure

Perl on top

View thru Neal's skis

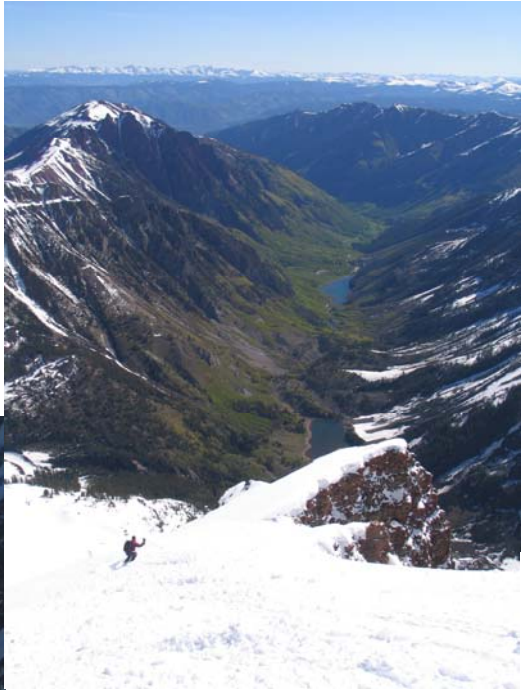

Pyramid Panorama

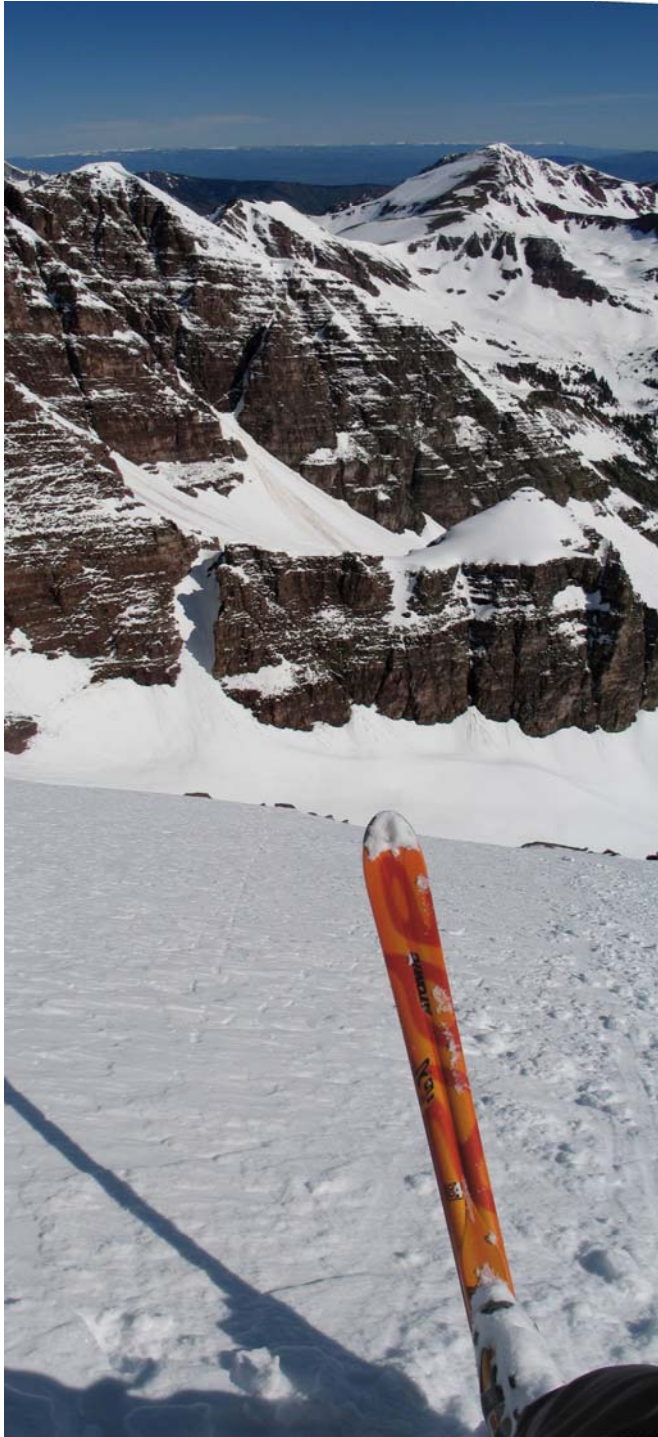

Crazy Panorama from Pyramid to Lead King Basin

Neal's first turns off the top into Maroon Lake

Perl enjoying some
June pow

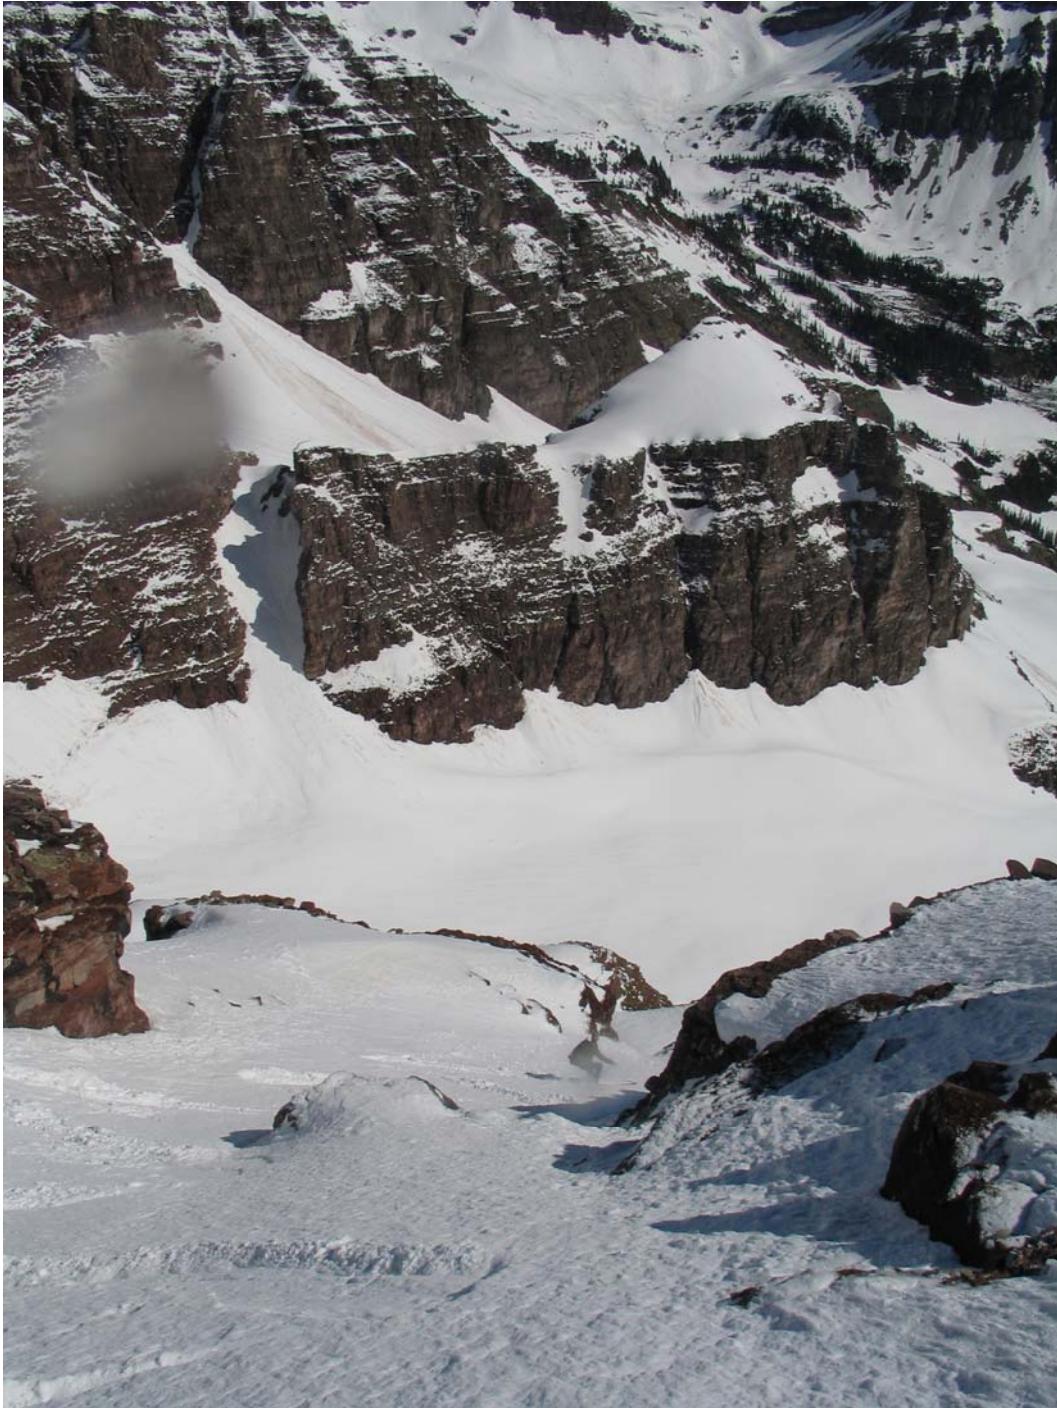

On Your Mark,
Get Set, Go!!

Perl finding an adjacent line in 10" of new

*Perl near the end and through
the first rock band*

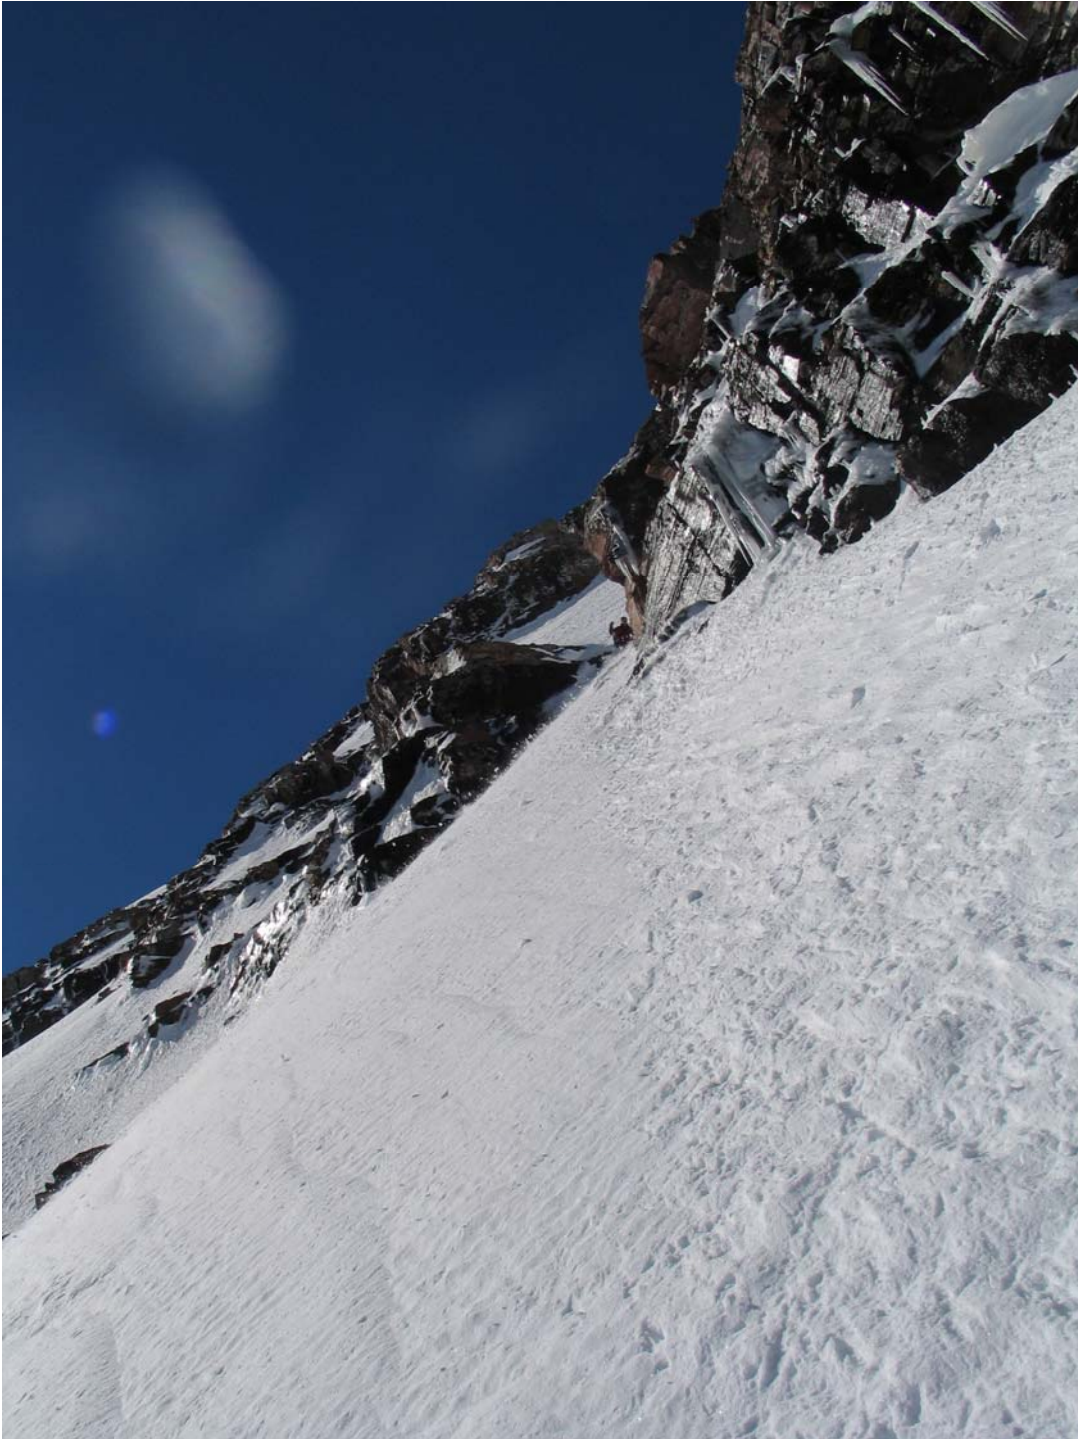

Neal through the
narrows

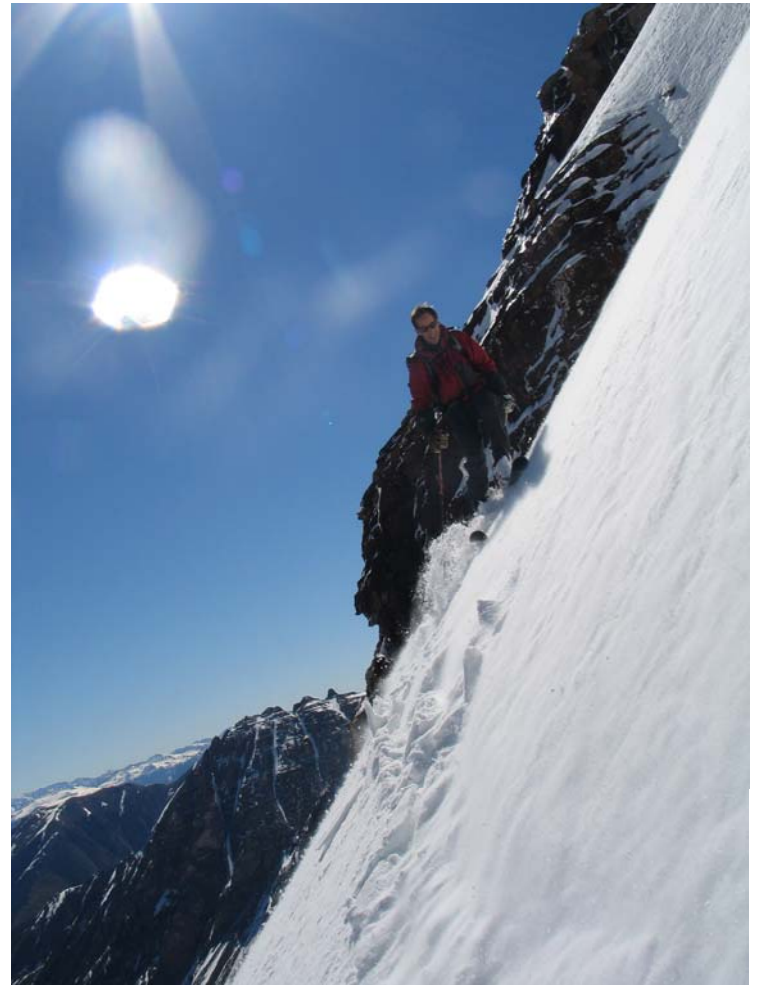

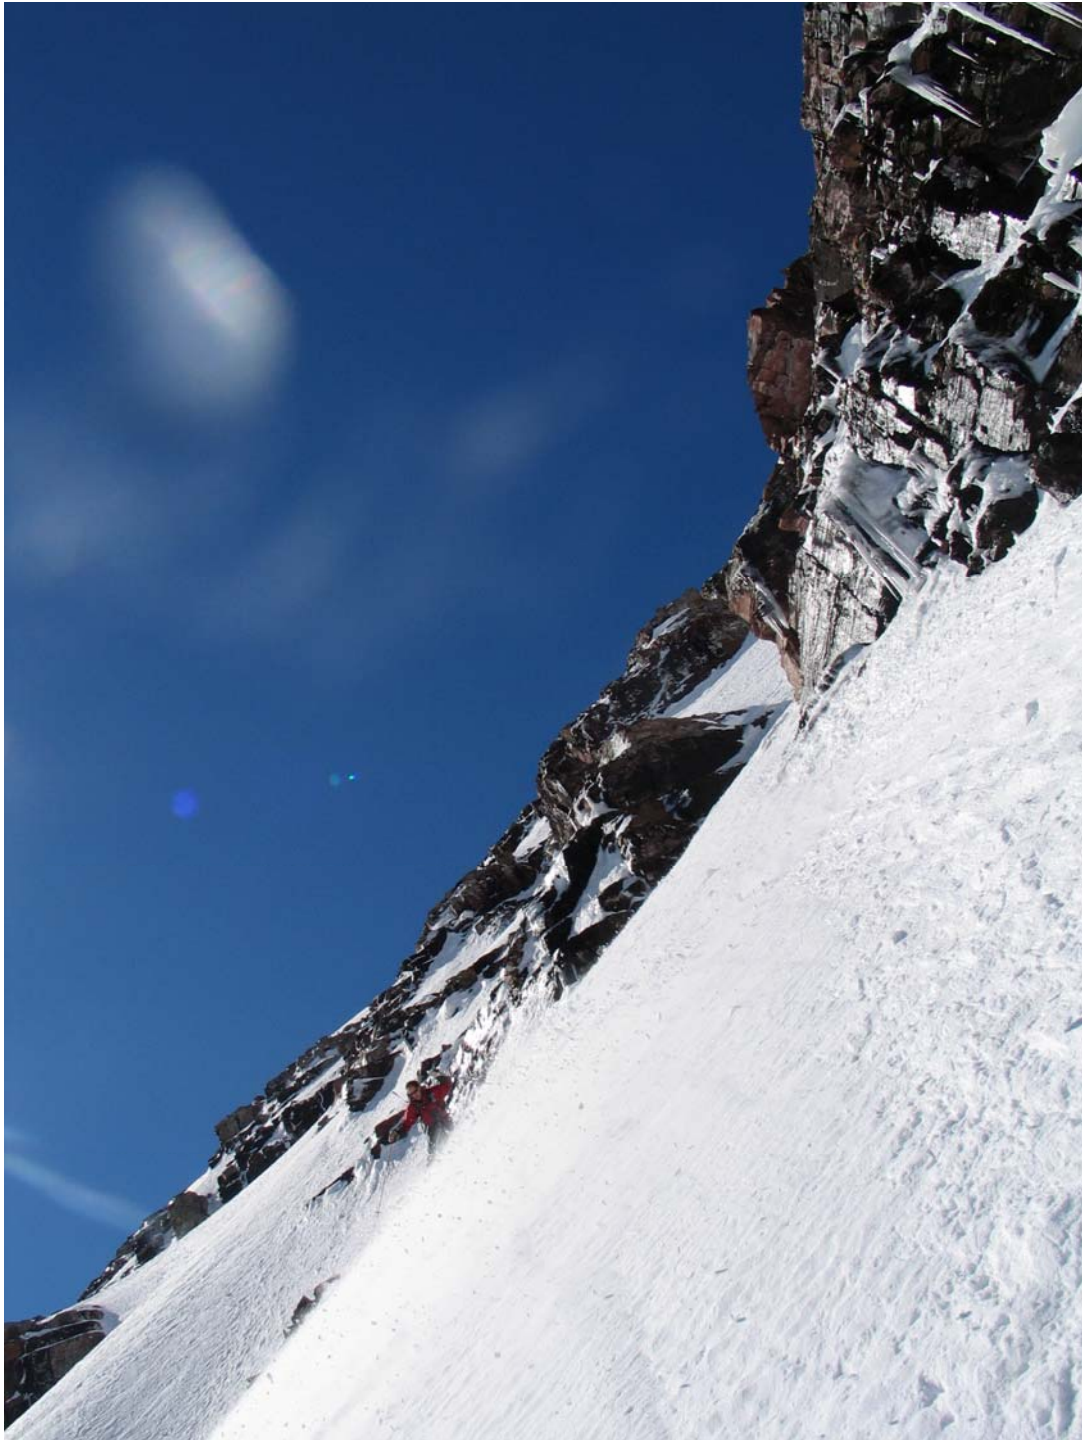

Neal exiting the narrows

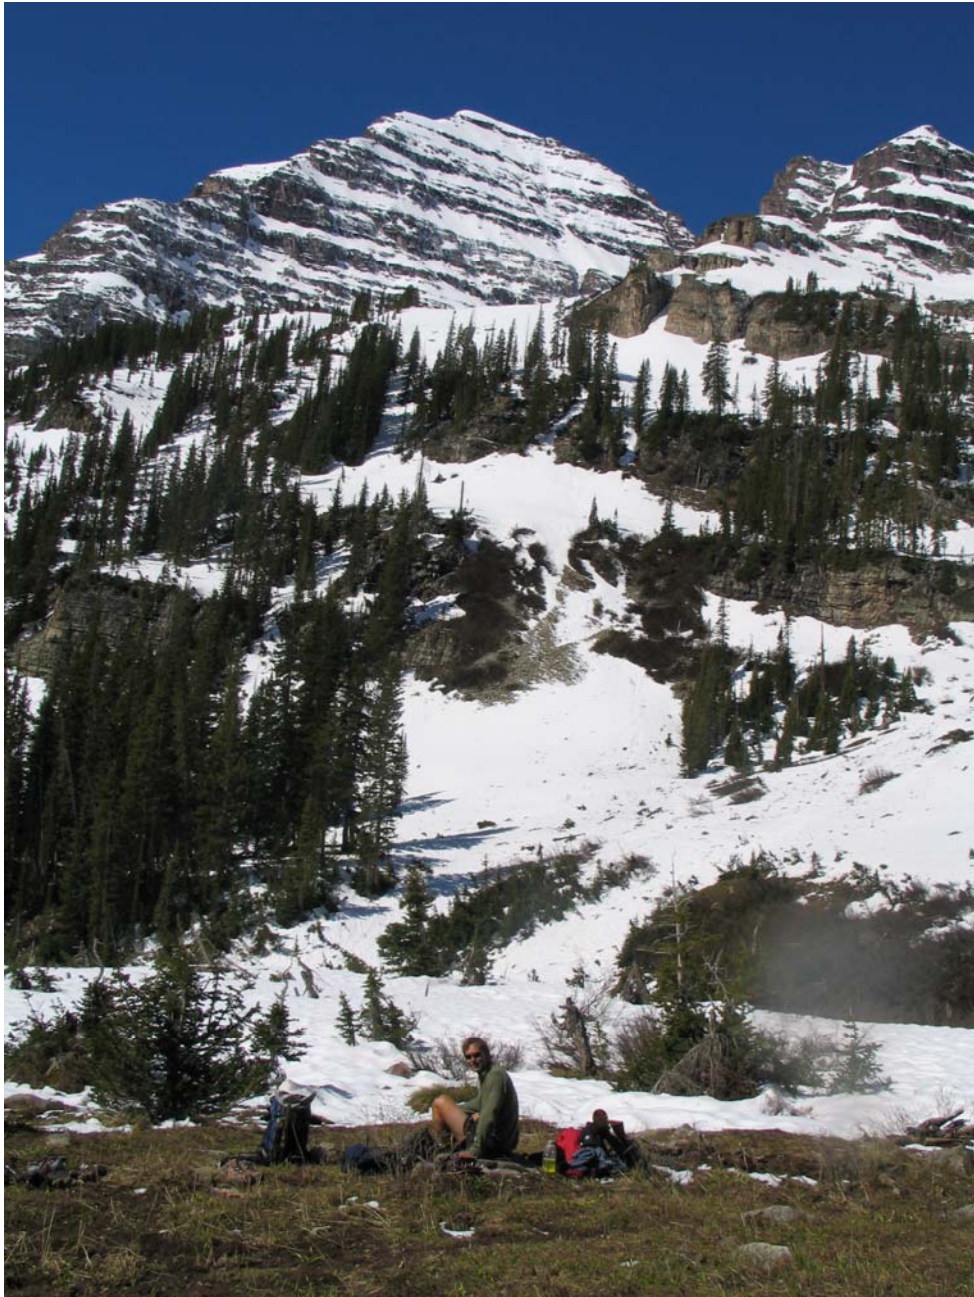

Perl through the narrows

Perl out of the couloir

Perl making nice turns
on the steep section out of
the narrows

Grasslands

North Face approach
